

SCHOOL DISTRICT NO. 73 (KAMLOOPS/THOMPSON)

POLICY 403.2

Effective Date, August 29, 2011

TECHNOLOGY: STUDENT ACCEPTABLE USE

Student use of District information technology resources must be in accordance with the following regulations.

REGULATIONS

1. Students are responsible for their network accounts and all activity taking place in their allotted storage space and under their password. Passwords must not be shared.
2. Students must not use another person's account.
3. District resources must be used responsibly and not for any purpose except educational purposes.
4. Students should conduct themselves in a manner which respects the rights of others and is consistent with Policy 600.1 Code of Conduct.
5. Students using District technology resources are expected to follow the same regulations both during and outside of school hours.
6. Teachers and principals or designates are responsible for ensuring that all students and parents/guardians are aware of Policy 600.2 and agree to the rules governing access to District technology systems by signing the [Student Use & Consent Form - Elementary & Middle Schools](#) or [Student Use & Consent Form - Secondary Schools](#). The agreement will be required:
 - i) at the time of registration in kindergarten; and,
 - ii) at the beginning of grade 8; or for middle school streams at the beginning of grades 7 and 10; and,
 - iii) when a student transfers to a new school or the student is a new registrant.
7. Teachers and principals are responsible for taking appropriate disciplinary action when this policy is contravened.
8. Illegal acts committed on or through District technology resources may be reported to legal authorities. Illegal acts may include, but are not restricted to, hacking into systems or deleting files to which the student does not have access privileges, introducing viruses or downloading or copying copyrighted material.
